VOL. 91 No. 9

FIFTEEN CENTS

THE GOLF COACH at Antioch High School, Mark Guthrie, blasts from a trap on the 190-yard fourth hole at Antioch Country Club in Sunday's final round of the first annual Antioch Open. Guthrie tied for second place with three others and, after the playoffs, finished with the fourth-place prize. At the right is Bruno Nannini, another member of the championship flight field. More pictures in sports section.

Roach Breezes To Victory in 1st Antioch Open

John Roach, 61 years young, showed everyone what a lot of people already knew.

He is the best golfer in the Antioch-Lake Villa area.

Roach won the championship in the first Antioch Open tournament by 13 shots.

He played 36 holes at Antioch Country Club in 149, on rounds of 72 and 77. His 77 might have been lower but, after playing the first nine in 34 last Sunday, he was so far ahead that he eased up and finished with a casual 43.

Roach normally plays at Spring Valley where he has a 2-handicap, averaging in the low 70s. He has been a near-par shooter most of his life, "and I've been playing a little more

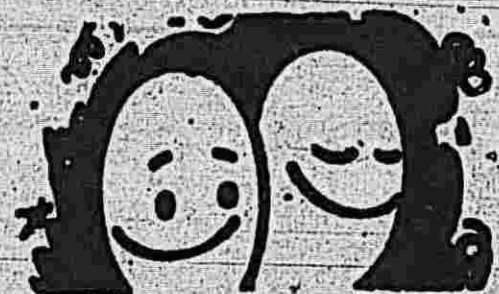

since I retired from Commonwealth Edison in May," he said.

ROACH LIVES in Oakwood Knolls, in Antioch. The tournament committee gave him a 26-inch trophy and a \$50 prize.

The tournament was played in ideal weather over two Sundays. Four golfers tied for second, Rich Higgins, Andy Anderson, Mark Guthrie and Cliff Houghton.

That called for an exciting playoff for trophies and prizes. It started on the tough 407-yard first hole and Anderson appeared to be the winner when he hit his 3-iron second shot 12 feet from the pin. That gave him an easy par.

Guthrie's 20-foot putt for a par was a beauty, but it stopped an inch short. Houghton's 15-foot try for a par also was excellent, just sliding past the hole. Then Higgins knocked in an 8-footer for a par and marched with Anderson to the second tee.

The Antioch News hopes you have a happy day.

Ehrhart Is Antioch's Postmaster

The appointment of postal careerist Gerald Ehrhart as postmaster of Antioch has been announced by Clarence B. Gels, Postmaster General of the 13-State Central Region, effective 11 a.m. last Friday, Aug. 27.

In accordance with merit selection procedures of the Postal Reorganization Act, Mr. Ehrhart was nominated by the regional selection board and appointed by Postmaster General Benjamin F. Bailar.

MR. FRANK J. Santoro, sectional center manager, North Suburban Illinois, administered the oath of office on behalf of the Postmaster General in the ceremony on Aug. 27.

Mr. Ehrhart, 46, started his postal career on June 23, 1962, as a substitute city carrier at the Antioch post office. He transferred to the Gurnee post office as a regular substitute carrier on Nov. 6, 1965. He became a substitute distribution clerk in Antioch in August of 1970 and a regular distribution clerk in March of 1974.

MR. EHRHART was promoted to supervisor, postal

operations in March of 1975. He has served in that capacity until Please turn to page 5

New Situation For Fishermen

Illinois residents with access to Cross Lake will now need a non-resident Wisconsin fishing license to fish in the Wisconsin part of the lake.

Antioch's Chief of Police, Jack Wells, said that persons using that part of the lake were previously accepted, but the Wisconsin conservation department is now enforcing the fishing license law.

Sgt. Chuck Miller pointed out that the northern two-thirds of Cross Lake is in Wisconsin and the southern third is in Illinois, at the Oakwood Knolls subdivision.

Without a non-resident Wisconsin license, Illinois citizens could be subject to arrest with a \$40 bond required.

Apparently, Wisconsin wardens will be estimating the state line boundary and enforce what they consider to be their part of the lake.

One Liner

The secret of success in life is for a man to be ready for his opportunity when it comes.

NEW POSTMASTER NAMED - Gerald Ehrhart (second from left) was sworn in as Antioch's new postmaster last Friday. From left: Frank J. Santoro, sectional center manager for North Suburban Illinois; Mr. Ehrhart, his wife Joyce and Don Grant, who has served as officer-in-charge of the Antioch post office since Walter Barnas retired recently.

885 Club to Meet Sept. 13

There will be a special meeting of the 885 Club on Monday, Sept. 13 at 8 p.m. The meeting will be held at the State Bank of Antioch.

Among some Central African tribes it was a cause for divorce if the husband was too lazy to sew his wife's clothes.

The word *dunce* comes from the name of a highly learned and intelligent man, John Duns Scotus. A conservative, his followers, who became known as *Dunsmen* or *Duncemen* persisted so long in their blind opposition to change of any kind they came in time to be considered pretty dumb.

Rams Into Home, Grayslake Man Arrested

A 23-year-old Grayslake man was arrested by Antioch police officers Sunday evening after an automobile left the road and rammed into a house on Oakwood Drive.

Jerry W. Young was charged with driving while intoxicated or under the influence of drugs. He also was charged with possession of a hypodermic syringe, resisting arrest and disorderly conduct.

Another charge made against Young was theft of a motor vehicle. Cynthia Venturi of Lake Villa had reported that her car was stolen and it turned out to be the one that was driven into the side of the house in Oakwood Knolls subdivision.

IN ANOTHER police matter, an Oakwood Knolls resident was warned about firing off a miniature cannon last Saturday. Neighbors complained and police went to the scene. The cannon enthusiast told police he would comply with the village ordinance covering the discharge of firearms.

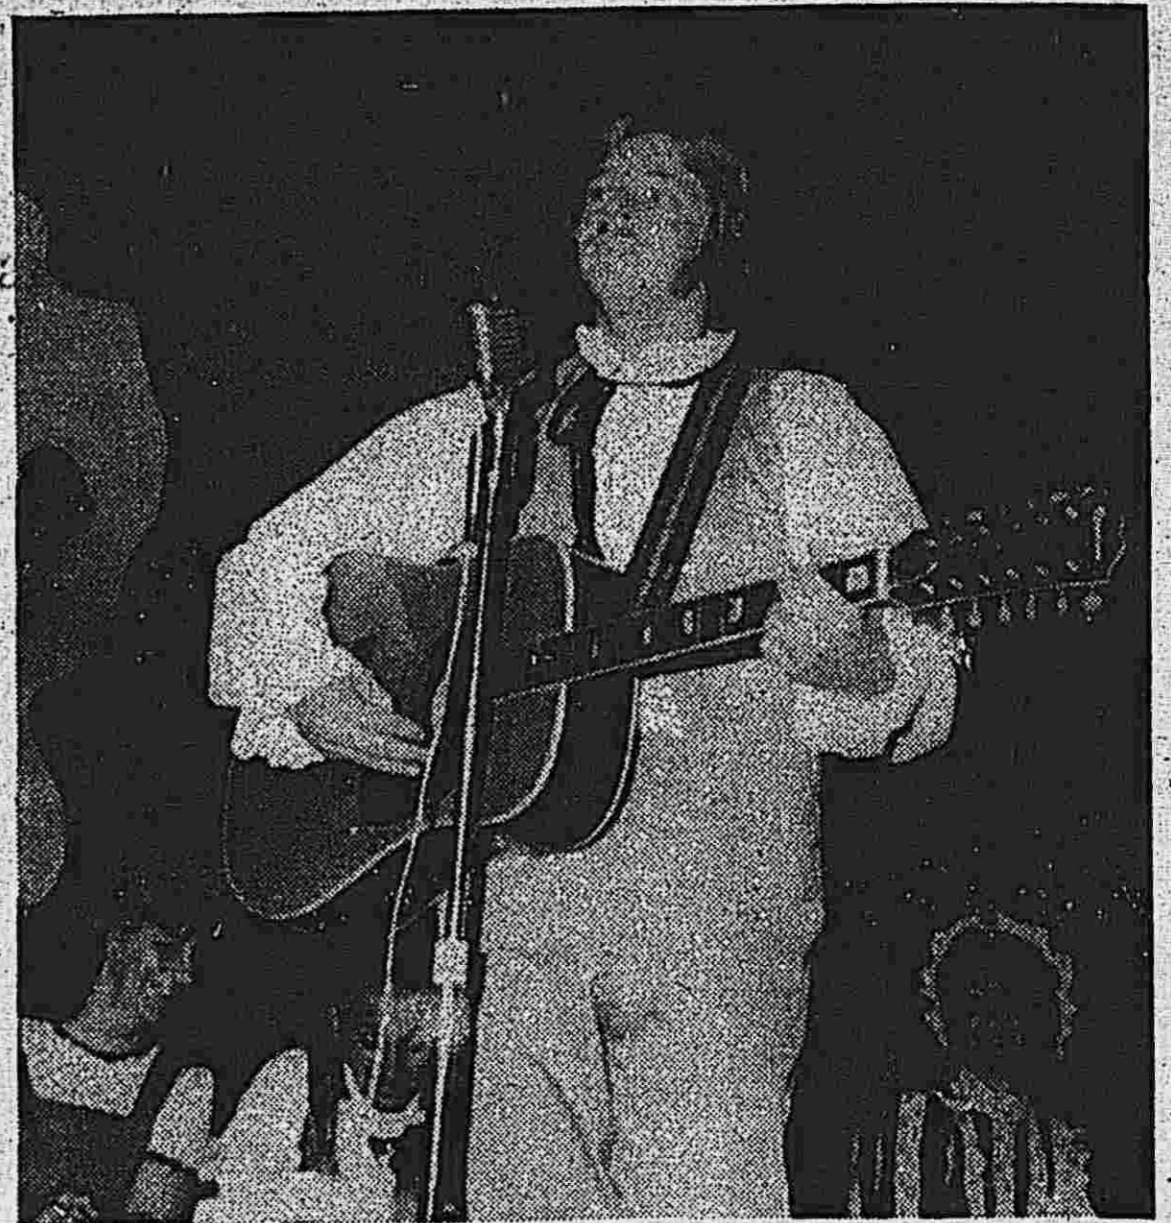

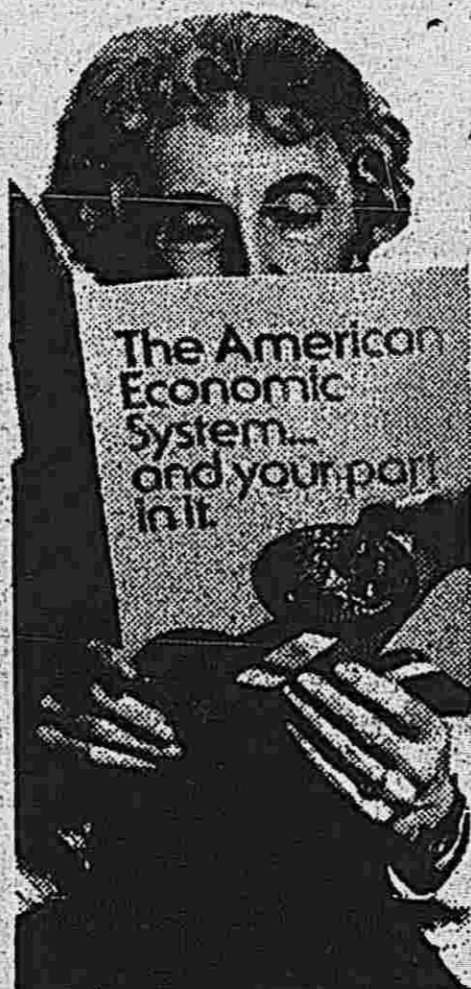

Also in Oakwood Knolls, Russell Cote Jr. reported to police that someone took about \$400 worth of tools from his garage Friday night. The Cote residence is at 188 Maplewood Drive.

LOU KORUM, of 431 Fill-weber Court, reported to police that someone broke into his apartment by removing a screen and entering a bedroom window. A total of \$50 worth was stolen, Korum said.

Kenneth Mortensen, who owns a garage at 421 Orchard St., reported to police that four windows were shot out of the structure, apparently with a B-B gun sometime Thursday night.

Does America need more government regulation? Or less?

Your informed opinion is important. That's why we're offering a free booklet that explains the American Economic System. It is interesting and easy to read. Every American ought to know what it says. For a free copy, write: "Economics," Pueblo, Colorado 81009.

THE SINGING OF Rusty Long was just one of the highlights of "Colonial Capers '76," which finished its two-Saturday run at Antioch High School last weekend. A full house of 560 persons enjoyed the "musical spoof of the American Revolution," written and directed by Doctors Al Bucar and Jim Kopriva. A large cast of local talent participated to raise money for the Antioch Bicentennial Commission's sawmill restoration project.

Mrs. Dittman Honored For Teaching Career

Belinda Dittman, who taught fifth grade at the Antioch Lower Grade School for 23 years, was honored at last Thursday's meeting of the board of education of Grade School District No. 34.

She received a plaque of appreciation from the school board.

Mrs. Dittman taught in the same classroom throughout her 23-year career in Antioch. She retired at the end of the last school year.

Her husband, Al Dittman, formerly was superintendent of the Antioch High School district.

Superintendent Henry Meyer thanked Mrs. Dittman for her many years of service to the children of the community.

MR. MEYER said the grade

school district is still looking for a business manager to replace Sam Kohr, who is retiring Jan. 1.

Four Upper Grade School teachers have been working on a mathematics program and, according to Meyer, "the program looks as if it might be good enough to be copyrighted and published."

The board of education made a written agreement with the teachers, giving them the copyright privileges. The teachers are Max Cummings, Richard Brucher, Richard Herdiska and Bob Lipinski.

Last Thursday's meeting included a lengthy budget session that lasted until 2 a.m. The budget for the 1976-77 school year will be formally approved on Tuesday, Sept. 14.

NAMES IN THE NEWS

Navy Hospital Apprentice Lee D. Kaseska, 20, son of Mr. and Mrs. LeRoy D. Kaseska of 1912 San Rem Ave., Lake Villa, Ill., has graduated from Field Medical Service School at the Marine Corps Base, Camp LeJeune, N.C.

The five-week course is designed to prepare Navy hospital corpsmen and dental technicians for duty with Marine Corps combat units. During classroom instruction, practical application periods and field training exercises, he learned the fundamentals of battlefield survival and personal protective measures.

Kaseska studied tactics and weaponry, and gained proficiency in emergency medical techniques, casualty evacuation, field sanitation and preventive medicine procedures.

A 1975 graduate of Grayslake Community High School, Lee joined the Navy in October, 1974.

JAMES S. MC GRATH, son of Mr. and Mrs. John J. McGrath, Rt. 5, Box 287, Antioch, has been assigned additional duties at Augustana College, Rock Island, where he has served as sports information director since 1971.

In addition to his job as sports information director, he will become coordinator of athletic facilities, supervising the use of the Roy J. Carver center for Physical Education and Ericson Field. He also serves as publicity director for the college conference of Illinois and Wisconsin.

McGrath is a graduate of Lake Zurich high school and received a bachelor of arts degree from Augustana in 1971.

JAMES HESSION of Antioch is eligible to win a free trip to Scotland and \$1,000 as a result of scoring a hole-in-one at the Twin Lakes Country Club.

Hession's ace qualified him for the 15th annual Rusty Nail Hole-in-One Sweepstakes, a national competition sponsored by the Drambuie Company of Edinburgh, Scotland.

The winner will be announced early next year.

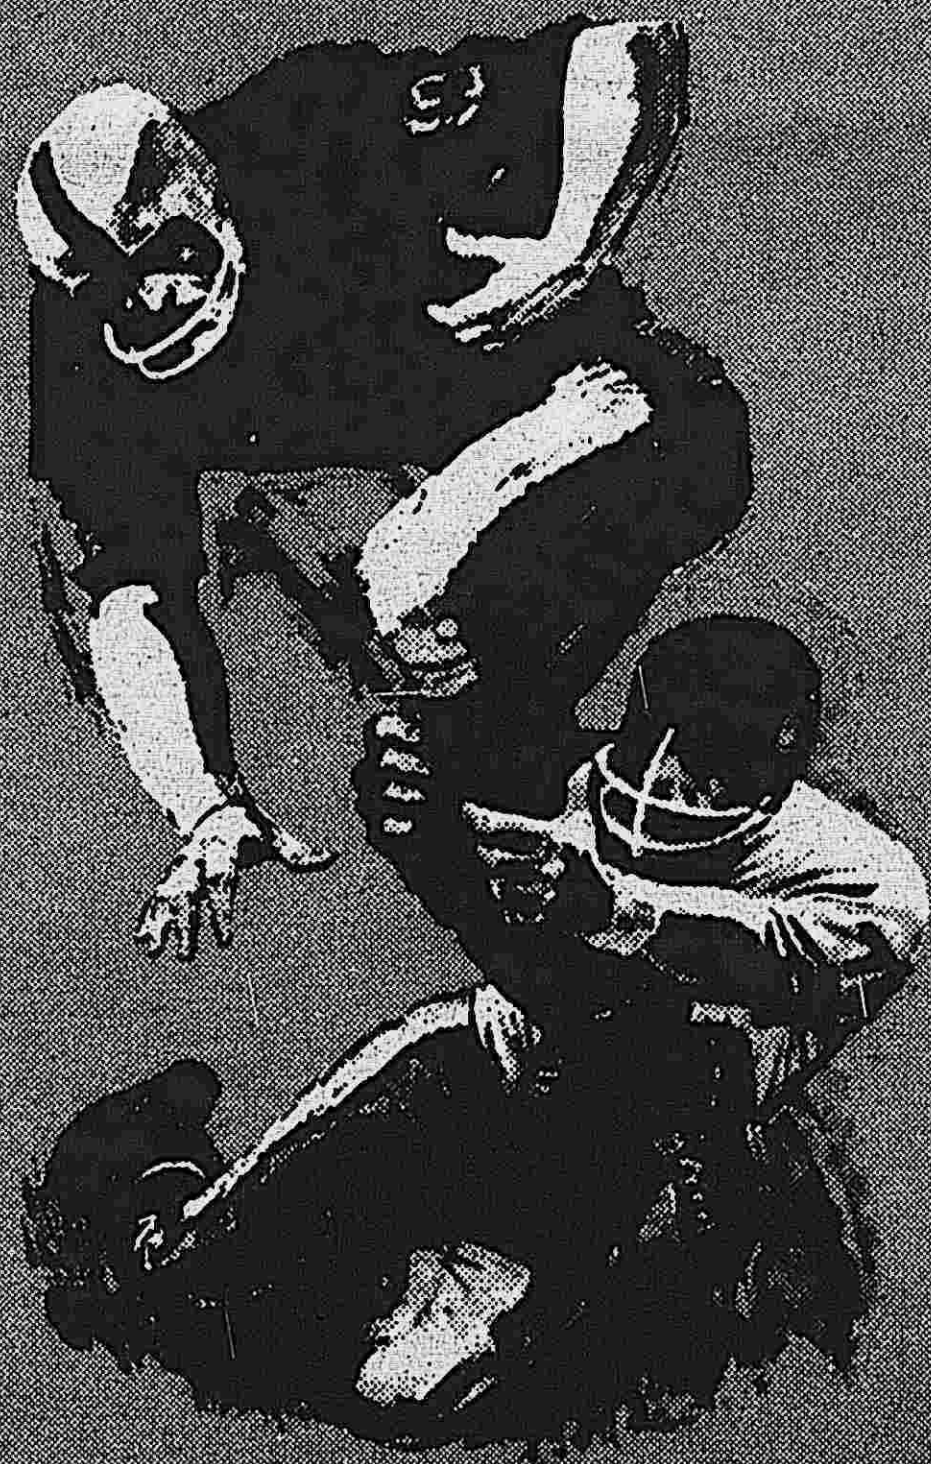

GLEND A. E. HURT of 309 Edgewood Ave., Antioch, has been named to the Deans' List for the Spring 1976 semester at Lewis University in Lockport.

ALISON HEVRDJS of Rt. 2, Box 458, Antioch, has been awarded a bachelor's degree in landscape architecture at the University of Illinois at Urbana-Champaign.

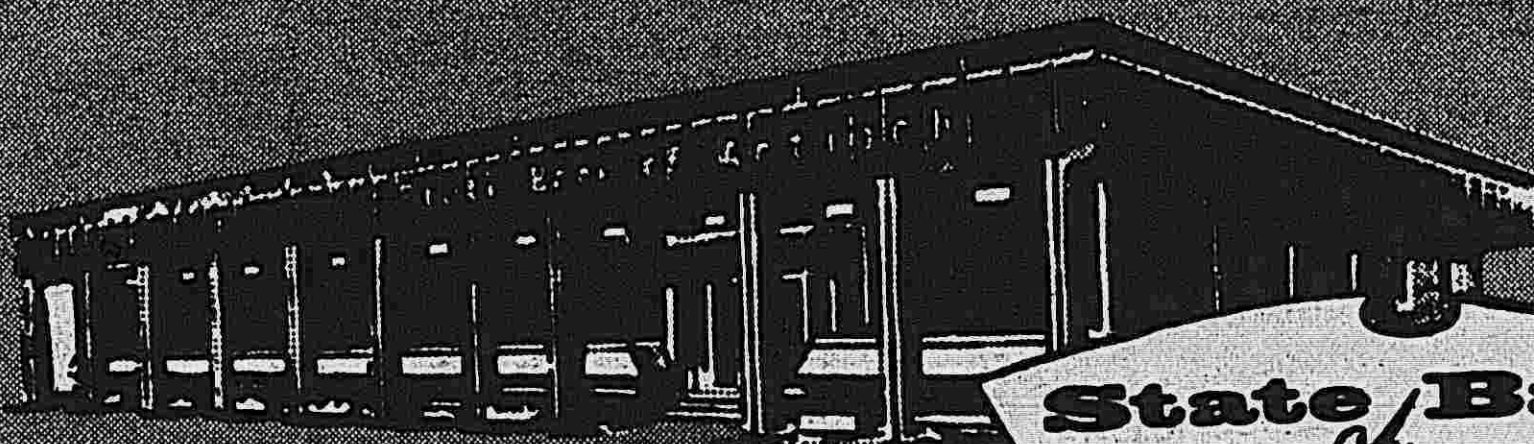

The university said the degrees for summer graduates will be mailed to recipients in October. No commencement ceremony is held in the summer.

Alison studied in the university's college of fine and applied arts.

BARRY GOLDWATER

Taxpayers Financing A Destructive System

By SEN. BARRY GOLDWATER

The great majority of the American people have no accurate picture whatsoever of just what is going on in their government.

Let me give a few statistics that, hopefully, may shock some readers into a realization of how far things have gone in the Republic.

* For every dollar we pay in income tax in 1976, the government will borrow 50 cents. Two

hundred years ago the United States began this process - and here I'm talking about borrowing - to win their freedom. At that time we borrowed \$8 million to finance our revolution.

TODAY THAT debt is 76,000 times greater. It is being used for a phenomenal increase in the cost of operating the Congress and implementing the sweeping powers given to that faceless army making up the

regulatory agencies which tell the American people what they can and cannot do in most of the important areas of their everyday lives.

The debt is being used to finance a growing, unworkable, and destructive welfare system which has not solved any problems - but has created many. And it is increasing the threat of a breakpoint.

THE INCREASED debt, of course, defrays the cost of the greatest bureaucracy - with all of its waste, inefficiency, and duplication - the world has ever seen.

It pays for a government work force (federal) of 2.7 million people, the largest salaried group anywhere in the nation or in the world. (In the Department of Agriculture alone, there are 105,907 employees; this means one government worker for every 26.6 farmers in the nation.)

In 1974 the cost of paying this work force was \$33 billion and the average individual salary was \$12,200.

THIS MONEY also pays for 800 chauffeured automobiles used by top federal officials, and covers the cost of the Library of Congress' 320 miles of shelves which contain the wisdom, knowledge and experience of civilization. More than 4,200 experts, paid from these funds, assist individuals in getting what they need from 16 million books and 58 million

The Town Crier

WE LOVE the sign in the window of Bernie Osmond's one-story real estate building. It says, "A. Lincoln, Law Offices, 2nd Floor."

One of the surprises during the "Colonial Capers" show last Saturday came when Mayor Bob Wilton appeared briefly on stage in his Abe Lincoln costume. We think that was Al Bucar who ran out, dressed as John Wilkes Booth, and "assassinated" Mr. Lincoln.

Bill Brook has been warning the mayor to be careful about going to local theaters dressed as Lincoln.

SOMEONE MUST have had a bad night at the bowling lanes already. A lady on Victoria found a Brunswick bowling ball discarded on her front lawn.

Bill Stanley's brother, Chuck, is a scuba diver and was exploring the Kenosha harbor several years ago when he found a bowling ball on the floor of Lake Michigan. A disgusted bowler apparently had tossed it off the bridge after a bad series at nearby lanes.

Chuck tried using the water-soaked ball, raised his average to 190 and has been bowling with it ever since.

Last year the Antioch Jaycees beat the Rotary Club 36-1 in their annual softball game.

(That score might not be entirely accurate, because Rotary members are trying hard to forget exactly what the outcome was.)

This year the Jaycees beat the Rotary by only 28-8 ... which proves that the Jaycees are getting older and the Rotarians are getting younger.

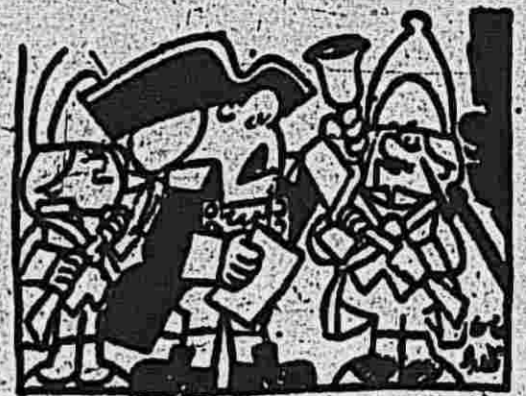

But next year the game will be even closer. We think it was Vern Thelen who came up with the rules for the big clash of 1977.

All of the Jaycees' infielders will be required to wear snowshoes. Also, the Jaycees must wear the snowshoes when they bat and try to run the bases.

It's only fair, the brilliant strategy on the part of that group of wonderful folks - the Rotary Club of Antioch.

LET'S FACE IT. Lord Sandwich was a hero. Yet little did he know that he would have a month named after him.

But that's the least we can do for a man who showed us a

neater way to eat tuna fish salad.

This is National Sandwich Month, America's way of saluting the man who inadvertently invented an eating style that has endured - and been embellished - for more than two centuries.

It was in the early 1700s that Lord Sandwich sat down (some say for a game of cards) and asked that he be brought some slices of beef between two slices of bread.

McDonald's and Burger King ought to feel very indebted to Lord Sandwich.

Especially Burger King, because during that game of cards (and we have it on the best authority) he said:

"Hold the pickles, hold the lettuce ..."

Private Sector Gets Thanks From ARBA

The private sector is supporting over half of the Bicentennial activities taking place across the country, according to John W. Warner, Administrator of the American Revolution Bicentennial Administration (ARBA).

Speaking to the Detroit Economic Club, Mr. Warner gave high praise to the free enterprise system and its role in our nation's history.

Mr. Warner said Bicentennial programs have been planned for more than 11,000 communities, with over 50,000 projects and events. He added: "Their collective efforts represent the most massive volunteer effort in peacetime America."

"On behalf of the millions of people involved in Bicentennial, I am here today to say 'thank you,' for in my judgment better than half of this mosaic would not have been possible without labor and business joining to provide the necessary funds and supportive help," he told his audience.

A newspaper dedicated to people marching to their own drummers.

THE ANTIOCH ROTARIANS last week welcomed an exchange student from Orthez, France - Jean-Marie Palu. From left: Rev. Steve Williams, the president of Rotary; Francis (Bud) Scichowski, Jean-Marie, Dorothy Scichowski and Wayne Parthun. Jean-Marie will spend a year in Antioch as a Rotary exchange student. He will be a senior at Antioch High School and spend four months each as the guest of three Rotarians, Mr. Scichowski,

Gerald Ehrhart and Jim Hamlin. Wayne was appointed exchange officer for the club and Bud kidded: "I'm the father, Wayne's the godfather." He added: "Jean-Marie is terrific. The first few days he's been living with us, he has been a joy. He's a willing lad who likes to help, and we're getting past the language barrier. His parents are teachers and he's a well-educated young man."

Kathleen Kopecky Weds William Steude

Kathleen Ellen, daughter of Mr. and Mrs. Henry J. Kopecky, was united in marriage to William H. Steude, son of Mrs. Lorraine Steude and the late Mr. Harland Steude of

Schaumburg, Ill.

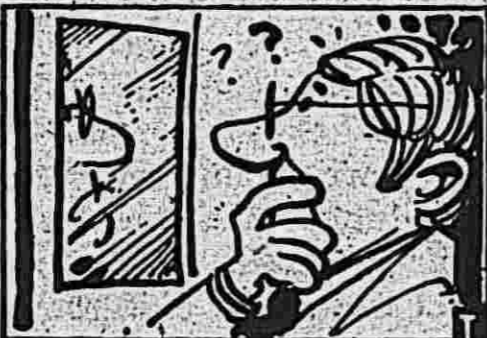

The wedding took place Sunday, Aug. 22, at the groom's family's home. The marriage was performed by Pastor Watson of St. Mark's Lutheran Church, Mt. Prospect, Ill.

UNFOUNDED Fears

People afraid that they will be among the three out of four elderly Americans with cataract should take heart. It is usually a curable disease. Safe and simple surgery is available and overwhelmingly successful in most cases.

People who are afraid of losing their vision can be reassured by this statement from The National Society for the Prevention of Blind-

ness: Half of the blindness that occurs is preventable, given the right medical attention and proper safety precautions.

For a free booklet, "Cataract—What It Is And How It Is Treated," write to The National Society for the Prevention of Blindness, SN, 79 Madison Avenue, New York, N.Y. 10016.

ACHS Gives Passes To Senior Citizens

Antioch Community High School is again receiving applications for Senior Citizen Lifetime passes. The pass entitles the holder of the pass to complimentary admission to all activities and programs sponsored by the high school.

The practice was begun in 1969 with 150 passes on file including 23 issued during the 1975-76 school year.

If you are a resident of Antioch Community High School District 117, and 65 years of age or older, you may obtain a pass. Those interested in

applying for the Senior Citizen Lifetime Pass should write or call Antioch Community High School, 1133 South Main Street, Antioch, IL 60002, 395-1421.

You may also apply for the pass in person at the General Office of the high school on any regular school day from 8:00 a.m. to 4:00 p.m.

Senior citizens are invited to eat lunch at the adult prevailing price served daily in the high school cafeteria when students are in attendance. Lunch is served from 10:50 a.m. to 12:15 p.m.

New Postmaster

Continued from page 1
named the new postmaster last week.

Mr. Ehrhart is married to Joyce Ehrhart and they have four daughters and one son. Mr. Ehrhart had received an incentive award in 1972.

He is very active in the County Firemen's Association and also in the Rotary Club of Antioch. He is a member of the Antioch fire department.

The Ehrharts live at 23 Bridgewood Drive in Antioch and have made their home here for 10 years.

The new postmaster is a member of Faith Lutheran church and also a member of the Faith Lutheran school board.

Mr. Ehrhart replaces Walter Barnas, who was Antioch's postmaster until he retired recently.

We Can Do Better

In the 1972 Presidential election Minnesota, North and South Dakota, Montana and Utah had the highest voter participation, with 67 per cent of the voting age population in each state turning out. That was 12 percentage points higher than the national average.

At the other extreme, less than 31 per cent voted in the District of Columbia, 38 per cent in Georgia and 39 per cent in South Carolina.

The Time Machine

50 YEARS AGO: SEPTEMBER 2, 1926

The Antioch News is issued under new management this week, the local publication plant having been sold by John L. Horan to H. B. Gaston, formerly of Richmond. Mr. Horan is very grateful to those who have patronized him during his publishing career in Antioch and the very kindest appreciation and thankfulness is extended to his many patrons and friends.

August Sale On Garages!! Complete materials for following garages include Green or Red slate roofing paper, 2 garage sash and service doors and frame. Best buy of the fall season. 10 X 16 - \$49.00; 2 Car Speedway Garage - \$78.00. Gordon Lumber in North Chicago.

20 YEARS AGO: AUGUST 30, 1956

A score or more of Antioch merchants have announced Wednesday closings throughout the winter months starting this Wednesday. The new plan will give the employees and proprietors a 5-day week which for some time has been enjoyed by bank employees and postal employees.

To increase their efficiency, members of the Antioch Fire Department will start a first aid course next month. The department now has a two-way radio for the village truck.

10 YEARS AGO: SEPTEMBER 1, 1966

The new home of the Antioch A&P in the Antioch shopping plaza is being built where the former store burned down last spring. The exterior's pretty well completed but it will probably be about three months before the store is ready to open.

In a short time Antioch housewives should have no more trouble with iron stains in their laundered clothes and the other nuisances created by too much iron in the water. The Antioch Water Department started adding Aquadene to the water early this week. Cost of the equipment for adding the material was about \$2,000. The monthly cost of Aquadene is estimated at about \$300 a month.

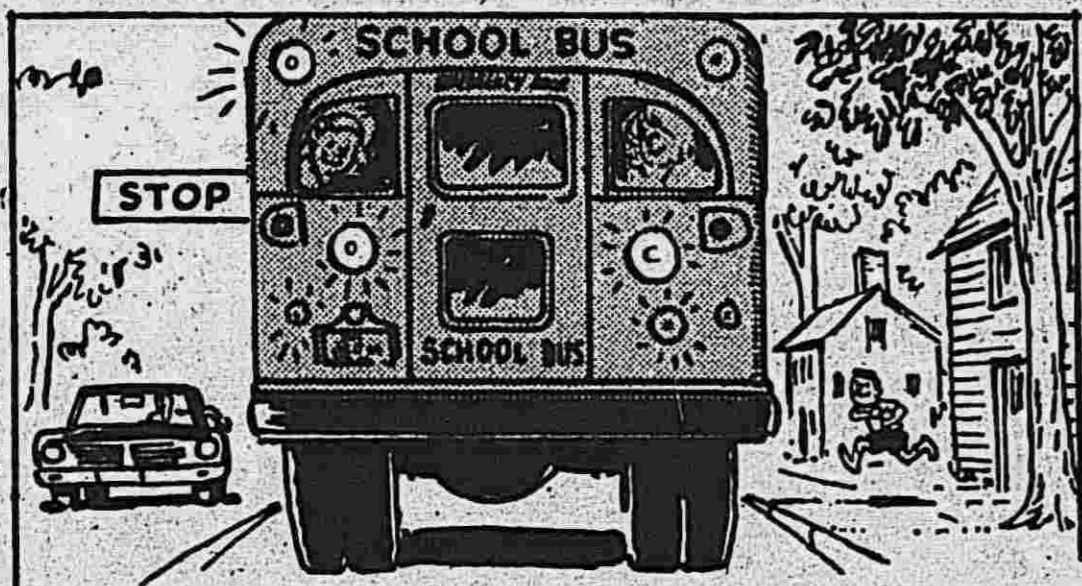

Assessors Working In Village

R.G. Holtz, Antioch Township Assessor, has a team of two men in the Oakwood Knolls area; they also will be working in other areas of the village in the near future.

They are trying to update their records to help equalize

the area. It would be most helpful if everyone would co-operate with these men so that they can get complete and correct information.

If you wish further information call 395-1545.

A CHEVROLET "HALL OF FAME" medallion was awarded to Charlie Subry (center) of Teresi Chevrolet-Oldsmobile of Antioch. Subry received the award for outstanding achievement in Chevrolet truck sales. At left is John Teresi and at the right is Ray Scarpelli, owners of the firm. "This is an exclusive honor club and is achieved by selling no less than 100 new trucks a year," Teresi said. "Charlie, who has been with our firm for 11 years, is being honored for the ninth straight year."

International Panel Selects Mrs. Sterbenz

Marilyn J. Sterbenz, clerk of the Village of Antioch, has been appointed to serve as a member of the council rules and proceedings committee of the International Institute of Municipal Clerks.

Mrs. Sterbenz will study and advise on new developments, procedures and technical changes relative to the effective and orderly conduct of the council meeting.

She will advise on points of order and questions of parliamentary law unique to local legislative bodies.

In announcing this key appointment to the IIMC organizational structure, President Jo-

seph V. Valenti, municipal clerk of Woodbridge, N.J., said:

"Mrs. Sterbenz will be contributing her knowledge and experience in advising her fellow municipal clerks on significant developments that are taking place on the national level, which will improve the efficient operation of the office of municipal clerk."

Marilyn has been village clerk of Antioch since May 1, 1969, and has been a member of IIMC since January of 1972.

The International Institute of Municipal Clerks is a professional association of 3,200 city, village, town, township and borough clerks from the United

States, Canada and nine other countries. It provides educational conference, research, reference and informational services designed to keep its members informed on the changes in the urban scene.

AN AWARD FOR BILL BROOK - "The trapshooter who has done the most in 1976 to encourage good sportsmanship and fair play at the Northern Illinois Conservation Club." So reads the first annual trophy awarded to Mr. Brook, president of the State Bank of Antioch, by Foremost Liquors and manager, Dave Bushing, right. At the presentation is Ernie DiLabio, left, president of the club. "As executive vice president of the club for the past 11 years, Bill Brook has given his enthusiasm, energy and support to every project sponsored by the popular sportsman's organization, one of the most active and successful of its kind in northern Illinois. The Foremost Liquors trophy will be presented annually," Bushing said.

CLC NEWS

Petitions are now available for the program board chairperson and sixteen student senate positions at the College of Lake County.

Petitions for these positions require fifty signatures of currently enrolled students and must be returned to the student senate office, building 1, room 123, no later than noon on Sept. 2.

To be a candidate for the program board chairperson, students must be enrolled for a minimum of six credit hours and cannot be on college probation. The program board chairperson oversees various committees, including: Entertainment, Coffee House, Fine Arts, Contemporary Issues, Performing Arts and Video-tape.

Candidates for the student senate positions must be enrolled for a minimum of one credit hour and cannot be on academic probation. The student senate provides such services as the Blood Assurance program, computerized car-pooling, and

pre-school child care.

For petitions or more information, contact the Student Senate office, 223-6601, extension 410 or 481.

THE WAUKEGAN Kiwanis Club is offering two scholarships to students in the Associate Degree Nursing program at the College of Lake County.

The \$300 scholarships are to be awarded on the basis of academic potential and future plans in the nursing profession.

Applications are available in the Financial Aid office and must be completed and returned by Sept. 15. For more information contact the Financial Aid office, 223-6601, extension 296.

THE ART DEPARTMENT needs male and female models for both, day and evening classes.

For more information, contact art instructor, Dan Ziembo at the college, 223-6601, extension 272.

By JERRY PFARR

It really hurts.

After giving Antioch a sample of my previously hidden theatrical talents Saturday night in "Colonial Capers," I met Ken Smouse of PM&L Theater in the parking lot, and he laughed and said:

"Don't call us, we'll call you."

Of course, we know Ken was kidding. As soon as they find just the right parts for myself and Bill Brook, they'll be offering us a nice, fat contract.

Unfortunately for the PM&L people (although we like them very much) Bill will be hunting or fishing and I will be golfing. Robert Redford and Paul Newman are safe.

A VERY SUCCESSFUL and gentle man died last Friday.

I was very close to him for more than 40 years and feel that I must share him with you.

He died at 82, apparently of a heart attack, in the rocking chair where he rested, and was often visited by his five sons, daughters-in-law, 15 grandchildren and great grandchildren.

I only know a few men who were as completely loved and respected.

He was a man of few words but, when he chose to speak, the things he said were always important.

I'll never forget the best advice he often gave to me:

"If you don't have something good to say about a person, don't say anything at all."

In all the years I knew him, I never heard him curse, use foul

language, tell an off-color story or say anything bad about anyone.

Yet, he had a great sense of humor and a constant twinkle in his eye.

He ran a gas station in Kenosha in the 1920s, 30's, 40's, 50's and 60's. It wasn't easy. During the depression years he had to borrow a few coins to make change in case someone wanted less than a dollar's worth of gas.

Later, things got better and his four oldest sons gradually came into his business. They never made much money because they usually wouldn't let friends pay for their time and talents. But year after year they sold more gas and did more business than any other Sinclair station in Wisconsin.

At the age of 65 he retired and turned the business over to his sons. Then, for the next 17 years he was the first one there every morning, putting the key in the door to open his gas station at 8 a.m.

This, of course, kept him vital.

He and his son, George, who was very much like him, were constant fans of the Chicago White Sox. Nothing all of us Cub fans would do could sway them.

Thanks to the miracle of television, in recent years when he couldn't drive to Comiskey Park, he could watch his White Sox on TV. And he could enjoy

all of the other sports events that television now brings to our living rooms.

His interest in sports, which dated back to his own youth, was passed along to his five sons, undoubtedly making them a little bit better than they would have been otherwise.

His gas station, his interest in sports and the way his offspring flocked around and showed their love for him, made his life a complete one.

He was my father, Jerry Pfarr Sr.

AFTER I DIE, I plan to get up every morning and play one of those championship golf courses they have ... up there in the great land in the sky.

My dad never had a chance to play golf. He and my mom were working too hard to make sure their five sons had food in the icebox and clean clothes to wear to school every day.

But I like to think that my dad is up there now, in the great land in the sky, where the White Sox win the pennant every year.

Education

Without popular education no government which rests on popular action can long endure; the people must be schooled in the knowledge and if possible in the virtues upon which the maintenance and success of free institutions depend.

— Woodrow Wilson

1977 OLDSMOBILE TORONADO BROUGHAM

ACHS Accepts Flag From Intermatic

The Antioch High School board of education has accepted an American Flag that was flown over the nation's Capitol in Washington, D.C.

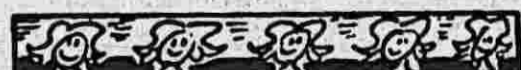

It was presented to the board at last Thursday's meeting by the Intermatic Corporation* of Spring Grove.

In other action, the board approved the employment of Richard A. Brown, physical education teacher, driver education and assistant sophomore football coach; Lynn Patrick, counselor, and Steven R. Scott, biology teacher, and also driver education and assistant freshman football coach.

The school district's 1976-77 tentative budget is on display in the general office of the high school. The budget will be adopted at the Sept. 23 board meeting.

Principal Arthur E. Blecke reported that of 158 students enrolled for credit courses in summer school, only three failed to complete course work. Board member Charles J. Forster has reported that Jean-Marie Palu, the Rotary Exchange student, arrived in Antioch Friday afternoon. Mr. Forster is a member of the Rotary Club of Antioch.

During his first four months here, Jean-Marie will stay at the home of Mr. and Mrs. Francis (Bud) Scichowski. After that he will be a guest in the homes of other Rotary members.

If you happen to have an eight-child family, the odds on all of them being girls are 255 to one!

1977 Chevrolets, Oldsmobiles at Teresi's Sept. 30

The new 1977 Chevrolets and Oldsmobiles will be on display in Antioch Thursday, Sept. 30.

John Teresi and Ray Scarpelli, of Teresi Chevrolet-Oldsmobile on Rt. 173, said the new Oldsmobile Toronado Brougham will be one of the features of their 1977 display.

A NEW generation of more fuel-efficient family cars and a long list of engineering improvements highlight Oldsmobile's 1977 lineup.

The division is covering the market in six distinct car lines ... Starfire, Omega, Cutlass, Eighty-Eight and Toronado ... with 28 models.

New for 1977 are the Cutlass Supreme Brougham colonnade hardtop sedan, Delta 88 pillar coupe, Delta 88 Royale pillar coupe and Toronado XSR.

HIGHLIGHTING THE 1977 Toronado are a number of design changes, the new electronic spark timing, a special XSR model and the 403-cubic-inch V-8 engine.

This front-drive personal luxury car is available in two coupe models ... the Brougham and XSR. They feature a new hood, front end panel and a distinctive grille with a rectangular pattern. New horizontal parking lamps are mounted beneath dual rectangular head lamps and there are identifying lamps in the nose of the fender front end panel.

All Toronados have electronic spark timing (EST) as standard equipment. EST uses an on-board pre-programmed micro-processor to continuously ad-

just ignition timing for optimum fuel economy and driveability.

EST monitors engine vacuum, coolant temperature and engine speed.

The standard Toronado engine is the new 403-cubic-inch, four-barrel V-8 for improved fuel economy, yet retaining good performance. Other standard equipment includes Turbo Hydra-matic transmission, steel-belted radial ply tires, front disc and rear drum brakes with power assist, electric windows, power steering, air conditioning and the maintenance-free battery.

THE 1977 CHEVROLET debuts as an all-new, full-size car for America, matched with the nation's goals of conserving fuel and natural resources.

The completely redesigned Caprice and Impala models offer crisp new styling with a long list of design and engineering improvements. The new Chevrolets boast more fuel efficiency and safety effectiveness while being 11 inches shorter and almost 700 pounds lighter than their predecessors.

The new models have more room inside despite the smaller exterior size. This includes more rear legroom and more front and rear headroom, along with added usable storage space in the trunk.

MATCHING THE trim new dimensions, additional operating efficiency and fuel economy is made possible by the addition of a 4.1 litre (250-cubic inch), six-cylinder engine and a smaller displacement 5 litre (305-cubic inch) base V8.

The six-cylinder engine is the standard power plant for sedans and coupes while the 5.7 litre (350-cubic inch) V8 becomes the top optional engine. All are used in conjunction with the automatic turbo hydra-matic transmission.

The 1977 Chevrolet is being offered in two series - the top-of-the-line Caprice and the ever-popular Impala. Two-door coupes, four-door sedans and four-door station wagons are available in each series.

Astro-Analysis

By Sonia

ARIES [March 21-February 19] - Try to distribute interests in a manner so energies aren't depleted. Perceptivity is more keen now but be analytical when looking into new possibilities.

TAURUS [April 20-May 20] - The tendency to speculate most likely wins over your more conservative nature; beware of the get-rich-quick offers, however. Business deals and pleasurable pursuits can be mixed successfully this week.

GEMINI [May 21-June 21] - An attention focuses more on domestic affairs try to keep on good terms with family members. Include kin on all new endeavors, talk over plans which affect all concerned.

CANCER [June 22-July 21] - Don't complicate matters by undertaking more commitments; clear out pending obligations which include all paperwork and letter writing. Correspondence and personal contacts play an important part in the success of your week.

LEO [July 21-August 21] - Take a close look at present personal assets and decide how to best add to what you have. You can make headway with financial gains in your favor if the groundwork has been properly laid.

VIRGO [August 22-September 22] - You are more willing to take chances now as a high-energy trend adds zest to your personality. Remain in the background and work subtly on personal aims.

SCORPIO [October 23-November 21] - A stepped up pace enhances chances to meet with new opportunities and make new acquaintances. Friends tend to share your views and ideas.

SAGITTARIUS [November 22-December 20] - Leadership abilities may be put to the test this week but don't overstep the boundary where superiors are concerned. Be willing to make the proper concessions even if you don't totally agree.

CAPRICORN [December 21-January 20] - By setting new objectives and goals you become more enthusiastic. Prepare for new studies that increase your awareness. Intellectual interests should be shared with peers.

AQUARIUS [January 21-February 19] - You function well with mate or partner now so team up and get accomplishments made. Good planetary aspects for forming new associations prevail.

PISCES [February 20-March 20] - Be wary of legal entanglements that haven't been thoroughly looked into. As you tend to be in the limelight now work on maintaining a good disposition.

The Yucatan Peninsula in Mexico is named for the Indian word "What do you want?" the natives reply to the Spaniards asking the name of the land.

Along the way with ANNIE MAE

Just read that the College of Lake County art department is seeking male and female models for day and evening classes.

Wonder if I should apply?

KIDS WHO like to kick and throw footballs should hurry over to Lyons-Ryan Ford and sign up with Joe Hellstern.

Ford's 16th annual Punt, Pass and Kick contest will be held in Antioch Saturday, Sept. 18, for youngsters from 8 to 13.

You can win trophies and maybe a trip to a National Football League playoff game. (See the ad on page 14 of this issue.)

We'll send a photographer out there to take pictures of these future Chicago Bears (or Green Bay Packers ... take your pick). Seize the phone right now. Call Joe Hellstern at 395-3000 and be a part of this neat event.

WELCOME, WELCOME to the five new members of Antioch's Chamber of Commerce and Industry. They are Harry and Ted Koziol of Ram Enterprises, Dan Haley of the Limerick Lounge, Randy Koepfen of Mostly Books II (on Main St.), and Robert Samuel of Antioch Tap.

Wasn't "Colonial Capers" a neat contribution to Antioch's bicentennial year?

The 1,100 people who saw the show on the last two Saturday nights seemed delighted with the fun and frolic that filled the Antioch High School stage. And there were some super-talented singers, dancers and actors up there, too, giving their free time to raise money for the sawmill restoration project.

Doctors Jim Kopriva and Al Bucar ... Al says it's "Bucar and Kopriva, B&K Productions" ... deserve half of a rubber chicken a piece for writing and directing that delightful show.

The only problem is ... what do we do with Frank Johnson? It looks as if a great acting and singing career was accidentally launched. There is absolutely no stopping Frank now.

WE WERE happy to see police officer Stan Revell back on the job Tuesday, and we sure

hope his badly burned left arm heals quickly.

Stan was burned on the arm and face recently when Antioch firemen and police rushed to the scene of the fire at the old Soo Line depot.

MR. AND MRS. HOWARD W. Lancour of Troy Center, Wis. became the parents of a beautiful baby girl, Marya Lee, on August 7.

Mrs. Lancour is the former Christine Lee Smock, the daughter of Mr. and Mrs. Lowell Smock of Trevor, Wis.

Mr. and Mrs. Joseph E. Horton are the proud great grandparents.

Big brother Howard sure is please with the little pink bundle.

The household of Mrs. Emma Jarnigs certainly has been busy lately. Her daughter, Mrs. Bob Simon, and her children have been visiting from California. They have also been visiting Robert Jarnigs and family of Camp Lake.

A two-fold celebration was held Aug. 28 at the home of Lester Zitkus. It was a Swenson family reunion and 75th birthday of Mrs. Ellen Swenson.

Among those who attended were relatives from DesPlaines, Gurnee and Elgin, Ill. and from Milwaukee, Kenosha, Milton, Whitewater and Camp Lake, Wis.

Sounds like a great time!

Thirty-six years of wedded bliss! Our congratulations to Gerry and Blaine Ring who celebrated their 36th wedding anniversary yesterday.

IF YOU MISS the Antioch Rotary Club's annual Country Bar-B-Que, it's your own darn fault.

That event has been so great the last two years that tickets are going like hotcakes this time.

The dinner and auction will be held Saturday, Sept. 25, at St. Peter's Social Center. After you

savor those delicious bar-b-que pork chops, and enjoy the auction and flea market, there will be music and dancing.

Your favorite Rotarian has tickets. If you don't have a favorite Rotarian, call Vern Thelen at Thelen's Sand and Gravel, 395-3313. He is the club's champion ticket seller.

The Rotary Club has come such a long way in the last three years that it's unbelievable.

It is now a happy, closely-knit group of about 40 refined and distinguished members ... and last Thursday's meeting at the Brave Bull, we hear tell, was full of sparkling good humor. Don Pittman entertained.

Psychologists say you can often talk yourself into doing something depressing, such as dieting, if you tell yourself you're really cheerful about it.

Business District Theme Is Sought

Antioch school children are being invited to create a theme for the village's business district.

The contest is the idea of Michael Teeley, director of environmental education for Antioch grade schools.

Teeley said the idea grew out of the recent passage of a new sign ordinance by the village.

The contest will have four divisions, from grade school through senior high school with prizes of \$25, \$10, and \$5 in each of the divisions.

"The goal of the contest is to develop a few workable ideas for use by our area business in changing their signs to conform with the new ordinance," Teeley said.

The students will have to meet criteria established by a Chamber of Commerce committee working with Teeley and Jane Craner, head of the art department at Antioch High School.

The contest will be completed

by the middle of November.

THE NEXT general membership meeting of the Chamber will be Monday, Oct. 18, in conjunction with Business-Education Day for Antioch High School teachers.

"The goal of the program is to sell the 92 teachers and administrators on the free enterprise system and the contribution of local businesses to Antioch," Chamber president Jack Siegmeier said.

The afternoon program will begin with a luncheon to which all Chamber members, teachers and administrators will be invited. The guest speaker, from the national Chamber of Commerce, will talk on the part small, independent businesses play in the free enterprise system and a basic economic lesson relating to business profits.

Following lunch, teachers will split into groups to tour local businesses and meet with top management for discussion.

PM&L Gets Ready For 16th Season

PM&L, Antioch's non-profit community theatre organization, is proud to present Season 16 with a selection of 5 outstanding plays on the season ticket.

"Carnival," a musical love story by Bob Merrill and Michael Stewart, will lead the season on Oct. 9, 15, 16, 22 and 23. It is light and fanciful and something to be enjoyed by the whole family. Bob Bundy is directing.

"The Ransom of Redchief" is adopted from a story by O. Henry and directed by Tom Hausman. It's the kidnapping of the original Dennis the Menace with an O. Henry twist that will delight the whole family. This will be performed in December.

In February Don Beveroth will direct "That Championship Season," a prize winning play by Jason Miller which peers at

the American Dream and dramatizes the fatal flaws in the competitive must-win lifestyle.

Great comedy with a large cast is "Charley's Aunt" by Brandon Thomas. Tessa Smith will direct this play in April. A favorite of community theatre audiences, this hilarious farce is set in Victorian England where a college boy impersonates his Aunt from Brazil.

"The Crucible" by Arthur Miller and directed by Lou Jones is scheduled for June. This drama of the purge of witchcraft in old Salem is both a gripping historical play and a timely parable of our contemporary society.

This all adds up to a year of live theatre entertainment for only \$11.00. Regular box office admission for the 5 shows would be \$14.50.

To order your season tickets

by mail, send a check for \$11.00 per ticket to PM&L, Box 23, Antioch, IL 60002, not forgetting to include your name, address and phone number.

This offer is good through Sept. 30, after which time season ticket price will be \$13.00.

Antioch Theater

Now showing - The Omen, rated R, shown at 7 and 9 o'clock p.m. All seats \$1.00. No one under 17 admitted unless accompanied by an adult.

Coming - Neil Simon's "Murder by Death" rated PG. Shown at 7 p.m. and 9 p.m. All seats \$1.00.

St. Peter's Club Plans New Season

St. Peter's Womens Club will be in full swing on Tuesday evening as they begin their 1976-77 season. Rosary and Benediction will begin at 7:30 p.m. in the Church.

A program of interest to all will follow in Fr. Frawley Hall. New members are urged to attend. A full schedule of events is planned for this fall.

On Sept. 12 there will be a Communion Sunday at the 8 a.m. Mass. All the ladies of St. Peter's are invited to receive Communion and have coffee and cake in Fr. Frawley Hall after Mass.

Ann Kozel and Marge McKinney are busy planning the Annual Christmas Bazaar, which will be held on Saturday, Nov. 6, and Sunday, Nov. 7. A few of the many items the bazaar will feature this year are: a cake booth, homemade specialties, children's toys, a

grabbag, white elephant sale, a raffle and, of course, handmade Christmas items.

If you care to donate any items, please contact Ann or Marge and they will be happy to receive them before the rush. Watch for our ads for more details.

COMBINING THE OLD WITH THE NEW:

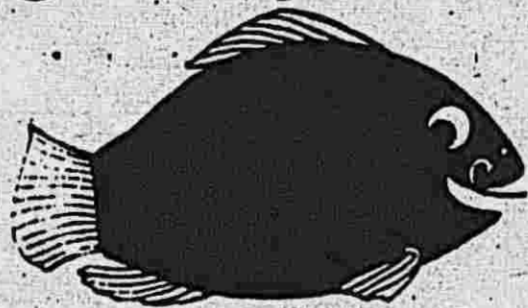

Turn your slow cooker into a "pot au feu" by using it to simmer leftover vegetables, meat, gravy and soups. Just throw all of your leftovers into the pot and let them simmer together until you are ready to eat. The "pot au feu" or hot pot is an old French peasant custom. A pot was always kept simmering with leftovers on the back of the stove where family members could help themselves to the thick soup or stew at anytime. The mixture was always changing as new leftovers were added every day.

RICK SVOBODA of Rt. 4, Box 161, Antioch took two prize northern pikes from Channel Lake last week in the Chain of Lakes fishing derby. (See advertisement on Page 17) Rick used a spoon plug to catch his biggest northern. It weighed 7 lbs. 6 oz. and measured 33 1/2 inches.

STEVE CHINN caught a prize-winning 20-inch bass in the Chain of Lakes fishing derby (see advertisement on Page 17). Steve, of Rt. 1, Box 695, Antioch, caught the fish on Lake Marie last week, using a crawler for bait.

4-H Youths Return From Washington

Tom Hevrdejs and Bob Hunley from Antioch, and Sue Meyer from Wildwood, returned from Washington, D.C. after completing Citizenship '76, a week long living experience in Citizenship at the National 4-H Center.

Bob, Tom and Sue were three of the 47 4-H members from Illinois and 700 from other states participating in the program designed to help young people understand structure and function of our system of government, the heritage of our country's development and in the Nation's future.

Using the Nation's capitol as a "classroom," the program included a day on Capitol Hill to meet with members of Congress and see government in action. Field trips to historical and cultural sites were among the most exciting parts of the week, according to the delegates.

Citizenship '76 conducted by the National 4-H Foundation in behalf of the Cooperative Extension Service of the State Land Grant Universities and the U.S. Department of Agriculture. Three delegates from Lake County were selected to attend on the basis of interviews and donations by the Lake County Farm Bureau.

You can learn more about 4-H and the programs in the area by calling 223-8627 or writing Lake County Extension Service, 310 North Highway 45, Grayslake, IL 60030.

LaLeche League Meets

The LaLeche League of Antioch and Lake Villa will meet at 8 p.m. Wednesday, Sept. 8, at 608 Sears Blvd. in Wildwood.

The topic for discussion will be "Planning for baby and childbirth." Babies are welcome at meetings, as well as any women interested in learning about breastfeeding.

For more information persons can call 395-6081.

You probably don't have to worry about having sophophobia. It means fear of learning, and few people who had it would read this to learn the meaning of the word.

Women of the Moose

By STEPHANIE POLSON

Forty co-workers attended the Aug. 18 meeting. Senior Regent Norma opened and proceeded with the meeting. The Chapter balloted on two new applications. Kathleen L. Mahr, sponsor, and Helen Bachara, Sponsor.

Mary Brylinke received her chapter pin after attending three consecutive meetings.

Congratulations to Mary and her husband on the birth of their new daughter.

Birthday marchers were Ann Barone, Dorothy Ottenstroer, Betty Schulmeister, Elsie Toman, Dorothy Tralewski, Cheryl Wise, Pearl Roach and Anita Wisniewske.

Elsie Toman reported that cards were sent to Mr. and Mrs. Dan Brylinke for their new baby, and get well wishes to John Stenberg.

Star Recorders Judy Page and Jerri Polson and Collegian

Karen Barbuska attended the Star Recorder Chapter Night Program on Aug. 23 at Greater Chicago No. 129 at their new lodge in Bensenville, Ill. Sixty-one Collegians and 51 Star Recorders were in attendance. Antonette Marinello, Grand Recorder from Mooseheart, was the guest speaker.

The Women of the Moose wish to thank Bill Georgeson from the Village Pub for the use of his hot dog cart for the Moose picnic. We would also like to thank Scotty Lowe and his crew from the Village for the use and setting up of the corn grills. Thanks to all the co-workers who helped with the corn and hot dogs. The picnic was a success and enjoyed by those present. The dunk tank was enjoyed by all. We hope Jim Page's nose survived the day.

The next meeting will be the Publicity Chapter Night on Sept. 2.

"He's learned how to open our refrigerator."

PLANNING FOR COLLEGE FUTURE?

Parents who are saving for their child's college education might be well advised to set up a trust fund for that youngster with those savings, say experts.

They point out that a trust fund has tax advantages over other investments — ask your tax consultant!

Paperwork Said to Boost Drug Prices

Government paperwork is adding an extra 50 cents to the cost of the average prescription of Eli Lilly and Co. medicine, the Lilly board chairman says.

Lilly prepares 27,000 government forms or reports a year, according to Richard D. Wood, board chairman and chief executive officer of the pharmaceutical company. Mr. Wood told a hearing of the Presidential Commission on Federal Paperwork that the cost of gathering specific information and filling out the papers is \$5 million, but at least another \$10 million is spent for analysis and background work.

"The hidden cost of paperwork for the government is, of course, incalculable," Mr. Wood said. "Suffice to say that we have one of the world's largest pharmaceutical research organizations and we spend more man-hours filling out government forms or reports than we do on research for cancer and heart disease combined."

ANTIOCH HIGH SCHOOL has a dozen new teachers this year and they were among the educators invited to lunch with the Rotary Club of Antioch last Friday. Among them were (left to right) Steve Miklautsch, who will coach sports and teach social studies; Teresa Dempski, who

will teach Spanish; Patricia Lynn Patrick, a guidance counselor; Susan J. Sahlin, learning disabilities; Marie Axel, who will teach the visually impaired; Principal Arthur Blecke and Rotary club officer Homer White.

Education makes a people easy to lead, but difficult to drive; easy to govern, but impossible to enslave.

— Henry Brougham

AMONG THE NEW TEACHERS at Antioch High School are (front row, from left): Richard A. Brown, physical education, driver education and coaching; Joyce M. Czajkowski, home economics; Kathleen A. Golob, English; Joyce E. Heneberry, English and yearbook; Julie A. Pederson, English, and Kenneth E. Lay, student

teacher in business. In the back row are (from left) Jeffery J. Dresser, who will teach business education, physical education and coach; Superintendent Warren Polley, the Rotary Club's past-president, Jim Hamlin, and Steven R. Scott, who will teach science, driver education and serve as an assistant coach.

other published items contained in the Library.

The debt helps maintain 300,000 buildings to which Uncle Sam holds title in the United States and around the world. It also keeps in operation some 26,000 computers, from the largest, most sophisticated machine available to the smallest.

The increasing machinery helps account for some of the \$16 billion a year required just to handle the federal government's paperwork "blizzard" for one year, which may have something to do with our cloak-and-dagger operations at the Pentagon.

Conservative estimates place the amount of secret papers shredded by the Department of Defense each day at 16 tons.

I BELIEVE that we are in a period which Thomas Jefferson would have described as one requiring a revolution to restore the principles of the American Revolution.

In his inaugural address, Jefferson called for a return to the Spirit of 1776, and said the general government must be preserved in "its whole Consti-

Republicans Plan Annual Golf Outing

The annual golf outing and campaign dinner of the Antioch Township Republican Club will be held on Wednesday, Sept. 15, at Antioch Country Club.

"We need your support in order that our club may be of assistance to our candidates at all levels," said Frank Benes, president.

Guest speaker will be George W. Lindbergh, candidate for state comptroller.

Michael Cudahy, president of the Lake County Republican Federation, will make the

coveted ELLAphant Award to a prominent Lake County Republican.

"Come early and enjoy a full day of golf, tennis, swimming, or just relaxation and companionship," Benes said.

Dinner and golf will be \$20. Dinner, alone, will be \$12.50. Persons can send their checks to ElRoy Anderson, 49 Second Ave., Rt. 5, Antioch, IL 60002, or Frank Benes, Rt. 5, Box 364, Antioch.

Benes recommended to call in advance if a golf cart is to be reserved.

Tickets also are available from precinct committeemen:

Hugo Holbek, 395-0301; James Olson, 295-1228; W.J. Murphy, 587-7160; Frank Benes, 395-1444; Gary Richter, 395-3426, and ElRoy Anderson, 395-1646.

—Nova Trimble Ashley

"The bold are always lucky."
Danish Proverb

A gallon of oil can be shipped from Louisiana to New York more cheaply than a post card!

The price of gasoline in America is cheaper than in any other nation that has national control of the oil industry.

The oil industry is more competitive than other big industries such as steel, automobiles, television, radio, cereals and soaps!

If the major oil companies are broken up, there are predictions that the price we will pay for gasoline and oil will go up.

GRADE SCHOOL STUDENTS in Antioch's District 34 are being greeted by several new teachers this year. They were introduced to the community at last Friday's Rotary luncheon at Lorenz's Smart Country House. From left: Mary Podraza, who will teach learning disabilities; Henry Meyer, superintendent of the district;

Julie Lottman, speech therapist; Linda Lucke, librarian; Marilyn Yates, SEDOL; Mary Marshall, science and math; Patricia Bryan, SEDOL; Mary Carlson, SEDOL; Carol Classey, learning disabilities; Leon Foust, shop, and Randall Lowe, language arts.

SIX NEW TEACHERS will be contributing to the educational program at Grass Lake School this fall. They were photographed with Gene Paulausky (right), superintendent of the Grass Lake district, and John Kakacek, (center), superintendent of the Emmons School district.

From left: Barbara Sander, first grade; Dawn Eiserman, second grade; Susan Alberts, SEDOL; Mr. Kakacek; Beverly Lynch, reading, Title I; Gerald Levine, sixth grade; Larry Rockoff, art, and Mr. Paulausky.

Seventy years ago, before plastic packaging came into its own, Americans bought crackers out of a barrel and eggs from a crock, and spent about 40 percent of their disposable income on food.

tutional vigor, as the sheet anchor of our peace at home

and our safety abroad."

Although Jefferson was referring to situations that existed in the United States of his day, I believe there is in his words a strain of wisdom that is more applicable to our present state of affairs than most statements I keep hearing in Washington.

In fact, I think it is safe to say that more so now than at any other time in our history, we need revolutionary thinking and acting in respect to all segments of government if we are to avoid the breakpoint.

People once believed that centaurs fought in the Trojan army.

ANTIOCH ROTARY PRESIDENT, Rev. Steve Williams (left), greets new teachers at Faith Lutheran school. From left: Rev. Williams, his wife Jo; Lloyd Essmann, who will teach fourth and fifth grades; Principal Lloyd Tiegs, and Vicki Weyenberg, who will teach kindergarten and first grade. Vicki came to Antioch from Kimberly, Wis., and Mr. Essmann from Janesville, Wis.

Antioch Open Champions Crowned

Continued from page 1

THE SECOND hole is another tough one, 417-yards with a blind, uphill shot to the green. After a good drive, Anderson hit a pretty good second shot but there's a tight boundary on the left and his ball rolled out of bounds by three inches. That made him settle for third.

Higgins took second place by giving the tournament a thrilling finish. The 30-year-old assistant cashier at the First National Bank of Antioch got into trees on the right and was

still 40 yards short of the green in three. Then he pulled out his wedge and knocked the ball into the hole for a par.

Anderson, 40, is an Antioch golfer who is in the heating and air conditioning business with his brother, Charlie.

CHARLIE, WHO lives in Indian Point, won the Class A flight of the tournament in a playoff with Vern Thelen, owner of Thelen's Sand and Gravel company.

Class A was for golfers who shoot in the 80s and they were

the best of that group. Anderson had 84-79 and Thelen 81-82.

Thelen gained the tie by hitting a clutch 8-iron shot six inches from the hole for a birdie on No. 7, which actually was the 34th hole of the tournament. The nines were reversed for the final round.

Dean Schultz, the first round leader with a stunning 74, had trouble in the second round and finished two strokes behind Anderson and Thelen. He still won the third place trophy.

John Hedberg and Bill Collins tied for fourth.

THE CLASS B flight had the largest field and proved to be an interesting competition.

Bill Effinger, 50, owner of Effinger Hardware in Lake Villa, won the title by defeating Bill Nauman of Antioch in a playoff.

Nauman, a 39-year-old public accountant, shot an 85 and an 87 for 172. Effinger had identical scores.

Mike Sexton, owner of Antioch Auto Parts, led the first Sunday with an 84. He had 91 in the second round and placed third with a total of 175. John O'Hara was fourth at 179, L.M. Woods fifth at 181 (with an 87 in the final round) and Attorney Frank Rhode was sixth with a total of 183.

Anderson, Effinger Win Flights

Jack Fields, Mike Haley, Pres Reckers and Jerry Pfarr.

Plans for a second annual Antioch Open will be discussed early next spring.

The top finishers in each class after 36 holes follow:

CHAMPIONSHIP

149 - John Roach, 72-77.
162 - Rich Higgins 80-82; Andy Anderson 85-77; Mark Guthrie 82-80; Cliff Houghton 80-82.

CLASS A

163 - Charlie Anderson 84-79; Vern Thelen 81-82.
165 - Dean Schultz, 74-91.
170 - Bill Collins 80-90; John Hedberg 86-84.
171 - Bob Hanaman 87-84.

CLASS B

172 - Bill Effinger 87-85; Bill Nauman 85-87.
175 - Mike Sexton 84-91.
179 - John O'Hara 86-93.
181 - L.M. Woods, 94-87.
183 - Frank Rhode 87-96.

JOHN ROACH (right) won by 13 strokes in the championship flight of the first annual Antioch Open Sunday. Here, he watches his competitors try in vain to catch him. At the left is Andy Anderson, who finished third.

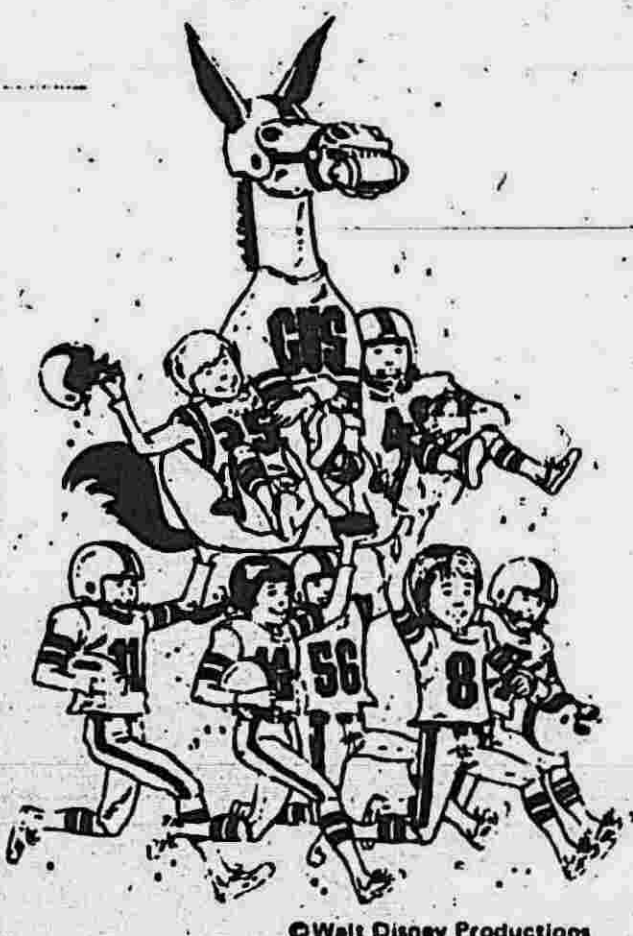

THE CLASS A CHAMPIONSHIP in the Antioch Open narrowed down to two players Sunday: Vern Thelen (left) and Charlie Anderson. Vern shot 81-82 while Charlie had 84-79, and they tied for first at 163 for 36 holes. Charlie won the playoff for the first-place trophy.

SPORTSMAN'S CORNER

A story in a recent edition of "Outdoor Highlights," the department of conservation's statewide newsletter, erroneously listed dove season shooting hours as "sunrise to sunset" daily.

The article headlined, "Three Seasons to Start," should have stated that shooting hours will be "noon to sunset" each day during the season, which extends from Sept. 1 through Nov. 9.

William Brey of conservation's law enforcement division, reminded hunters that it is an offense against both Illinois and federal law to shoot doves before noon during the season. The law is strictly enforced by state and U.S. officers.

Brey also pointed out that the start of the dove season, shooting hours and the length of season may vary somewhat from the statewide norm at some stateowned dove hunting area.

However, Brey emphasized that nowhere in Illinois will shooting start before Sept. 1 or before noon each day, nor will it continue beyond Nov. 9.

Chain O'Lakes fishing remains good, with Cedar Lake offering good-to-excellent catches of large-mouth, bluegill and crappie.

Lake Marie anglers reported excellent catches of stripers and northern pike, plus fair-to-good fishing for bluegill, channel cat and walleye.

Lake Catherine has good bluegill and channel cat fishing and spotty action with walleye.

Deep Lake offers fair fishing for most species with several nice northern pike taken during the week.

Toft Auto Racing Plans Title Events

With the first season championship racing completed last weekend at the Lake Geneva Raceway, with the conclusion of the Friday night SMAC super-modified stock car racing, Toft Auto Racing of Antioch now looks forward to four more season championship race dates.

Next will be the late model sportsman twin-25 season championship race at the Kenosha County Speedway in Wilmot, this coming Saturday night.

The following Saturday at Wilmot will feature the annual 100-lap season championship

race for super modified stock cars. That race will be run as twin 50-lap events on Saturday night, Sept. 11.

On Sunday, Sept. 12, the All-American late model stock cars will race in a season championship event at the Lake Geneva Raceway.

On Saturday night, Sept. 18, the late models will hold their 50-lap season championship race to wind up the point racing for the year.

However stock car racing will continue on Saturday nights at both the Kenosha County Speedway in Wilmot and at the Lake Geneva Raceway.

TAKE I-94 TO HIWAY "C" — WEST TO WILMOT

THE CHAMPION of the first annual Antioch Open was John Roach (right), who shot 72 and 77 in his two rounds at Antioch Country Club. Others from left: Mike Haley, a member of the tournament committee; Nick Marucci, the pro at the country club; Andy Anderson, who won the third place trophy, and Rich Higgins, who sank a 40-yard wedge shot in a playoff to earn the second place trophy.

Dost 6th At Wilmot

John Dost of Antioch was sixth in the 15-lap feature race for sportsman stock cars at Wilmot Speedway last Saturday.

Scott Dahlburg of Union Grove, Wis., won the race and Tom Homan of Antioch was eighth.

Chuck Ostergaard of Bristol roared to victory in the 12-lap semi-feature.

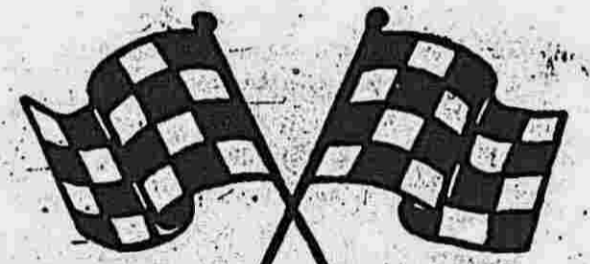

DICK COLBURN, Muskego fireman, added another to his efforts Saturday night as he won the 25-lap super-modified stock car feature.

His first win of the week came

at the Beaver Dam Raceway on Tuesday night. His win Saturday at Wilmot, where he is defending champion, was his fifth of the season and padded his point lead for a second straight season championship title.

As a fireman, Colburn could have been pressed into duty on at least four occasions as that many fires erupted in race cars.

Three separate fires started in Bill Schmidt's super-modified in the semi-feature race. After a hasty repair, Schmidt returned to finish third in the 15-lap semi-feature won by Ray Dobbs, Oconomowoc.

The other fire engulfed the car of Jim Zwirgzdas, Paddock Lake, in sportsman stock car heat racing. Zwirgzdas made a quick exit and the fire extinguished itself following a blown engine.

The world lifetime record yield of milk is 334,292 pounds by a Holstein cow named College Ormsby Burke.

City _____ State _____ Zip _____

A CLASSIC PUTTING STANCE was displayed by Jack Fields, one of Antioch's best golfers, in the championship flight of the first annual Antioch Open. Fields shot a 75 in the first round and was the only player within striking distance of the eventual champion, John Roach. But Jack hit a few of his tee shots too far Sunday and they drifted out of bounds, removing him from contention.

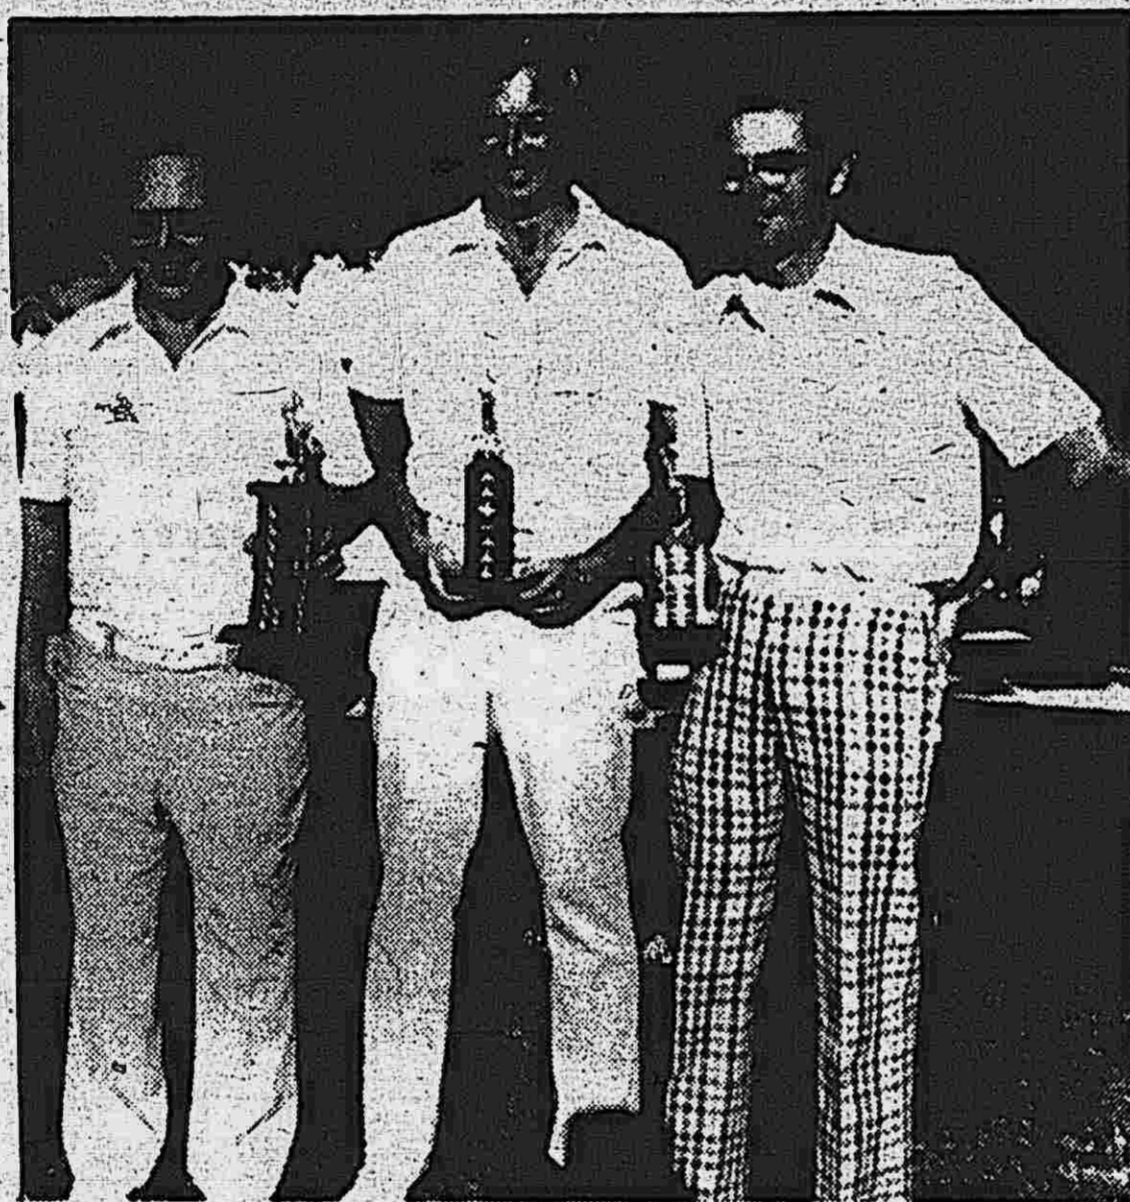

SPORTS SHORTS

The first video sports game came out in 1972. Now with new and improved Odyssey 100 and 200, people can play tennis, hockey and smash (a cross between handball and jai-alai) right on their TV screens. All player controls and game selection electronics are combined into one single master control center.

The tallest basketball player of all time was Amil Rached of Brazil who was 7 feet 7-5/8 inches tall.

THE TOP PLAYERS in Class B of the Antioch Open were (from left) Bill Effinger, who placed first; Bill Nauman, second, and Mike Sexton, third. Effinger and Nauman tied at 172 for 36 holes, then Effinger won the sudden-death playoff. Sexton was only three shots behind at 175.

'Sunday Driver' Wins at Geneva

Larry Leach, Elkhorn, who has reduced his busy racing schedule to Sunday nights at Lake Geneva, won the 25-lap feature for All-American late model stock cars.

Leach also set fast time for a field of nearly 30 cars last Sunday and then finished only third in the fast heat race to miss a clean sweep of events.

Sunday night racing at the Lake Geneva Raceway will end on Sept. 12 with a 50-lap season championship race. Saturday racing will continue until at least Oct. 2 for all three divisions.

DAVE WATSON, Milton, Wis., drove the Nielsen Enterprises 1976 Camaro to his 11th feature race win at Lake Geneva Raceway Saturday night. He racked up his 35th feature race win of the season.

This leaves him only three race wins behind the areas leading feature race winner Larry Schuler, Lockport, Ill. There is speculation that before the season ends at the Lake Geneva Raceway, Schuler may

try for the "bounty" money posted on Watson which next week will be raised to \$200.

The bounty money attracted Bob May, Libertyville, to the raceway Saturday night with a brand new car. However, May ran into problems with the car and ran only three laps in the feature. He intends to return following improvements this week.

DAVE BLISS, Huntley, Ill., won the 35-lap super-modified season championship race at the Lake Geneva Raceway last Friday night but point leader Bob Robel, Oconomowoc, Wis., won the Lake Geneva Raceway portion of the two-track SMAC series championship.

There is little doubt that Robel will also win the Waukegan Speedway portion of the SMAC series when that track concludes the series on Sunday night with twin 25-lap features.

With Friday night racing now ended, the spectator stocks will join the late models and sportsman stock cars on Saturday nights as well as the All-American late model sportsman stocks on Sunday nights.

High School Golfers to Begin Season

The Antioch High School golf team will begin the 1976-77 season Tuesday, Sept. 7, by hosting Mundelein at Spring Valley County Club. This will be the first of 17 dual matches and 4 tournaments scheduled this fall.

Last year Antioch finished third in the N.W.S.C. and is hopeful of improving this fall as only one letterman was lost from last year's squad.

Returning lettermen include senior Pat Houghton and juniors Del Gorski and Keith Rezin, who all finished in the conference top 10 individually last year. Another returning letterman is sophomore Chuck Gleason.

With only one week of practice completed, 7 golfers are currently averaging under 40 strokes per nine holes. Other top contenders for varsity positions are juniors Steve Hartokolis who is averaging 37.7 strokes per nine, Brad Masopust averaging 39.6 and sophomore Bob Sertic averaging 39.5.

Other golfers returning from last year's squad include senior Dan Barth; juniors John Eder, Dennis Korjenek and Glenn Blanchette; sophomores Tim Haviland and Kevin Shepard. Twelve freshmen have come out to join the team.

"I feel that we are legitimate contenders for the conference crown, a championship last won by Antioch 14 years ago," said Coach Mark Guthrie.

The Dodgers baseball team were once known as the Robins after their manager, Wilbert Robinson.

Q. Are there any U.S. industries still under federal price controls?

A. Yes, but just one. At present the oil industry is the only U.S. manufacturing industry still under federal price controls. It is also the only U.S. manufacturing industry whose distribution of goods is specified by government allocation procedures and one of the few U.S. industries whose access to its major source of raw materials is primarily controlled by the government.

Plan Big Races At Waukegan

Ken Monroe, Larry Hillerud and Dennis Stalal were the winners Sunday night in the variety program of racing at the Waukegan Speedway.

Monroe won the super-modified feature by taking the lead from John Tierney in the 7th lap and then holding off fastest qualifier Bob Robel in the final 15 laps. Robel finished second with "trophy dash winner" Bill Klein a close third.

The super-modifieds will close out their season at Waukegan next Sunday night with twin 25-lap season championship races.

Hillerud won the hotly con-

tested mini-champ car feature last Sunday, taking the lead from Eddie Mecum midway in the event and then edging fastest qualifier Dick Hautzinger at the checkered flag. Earlier Hautzinger had chalked up wins in the trophy dash and a heat race.

Stalal took command at the green flag in the hobby stock feature. Mike Simon, looking for his 20th feature win, again was second as he was tied up in traffic in the early part of the race.

Dave Stalal drove a Ford to victory in the "Beat-Your-Neighbor" races. Their final installment will be next Sunday night and the season ends Labor Day evening with late model twin 50s and a demolition derby.

RAY YOUNG CRUISED to his ninth feature win of the season at the Waukegan Speedway Saturday night, leading Tom Jones and Bob Dotter to the checkered flag.

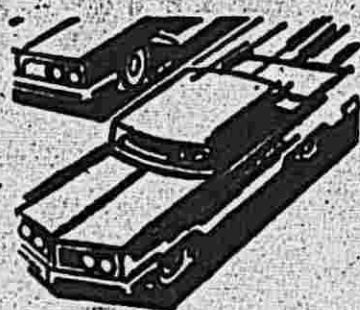

Young took the feature lead from Ed Dunne and was never seriously challenged, Dunne

dropping back to fourth with a damaged tire.

Saturday's 30-lap feature was the final at that distance for the 1976 season, with a single 50-lap "main" slated for the late models next Saturday night.

All kids Saturday night will receive free "Spirit of '76" flags from G.L. Miller Dodge before the special holiday races. The hobby stocks will also compete in their 25-lap season championship race that night.

Fans got several unexpected thrills in the "Beat-Your-Neighbor" races last Saturday when trophy girl Jan Huber spun her Camaro completely around, just missing the concrete wall; but Ray Stalal wasn't so lucky as he stuffed his Buick head-on into the pit wall at the track entrance. He was not hurt, but the entire front of his car was wiped out.

One must be a speed reader these days if he expects to get the right exit off the freeway.

CAR CARE

Is it worth a few minutes of your time to guard your share of a \$7 billion fortune? That's what statistics show Americans spend every year on auto repairs and care services — enough to buy every man, woman and child in the country a \$33 birthday present.

Here are some car care tips from experts to help you and your car celebrate more "Happy Birthdays":

1. **Warm up slowly.** A short warm-up at moderate speed is good for your car, even in summer. Never race your cold engine, though; it may damage critical working parts before lubrication can be fully established.

2. **Use your engine to save your brake linings.** Anticipate slowdowns. When you see you must slow down, take your foot off the accelerator slowly and let the engine's compression do some of the job. Always keep the master brake cylinder full of super heavy-duty fluid.

3. **Give your car polish.** A film that protects the finish is provided by waxes such as those made by Simoniz which has a wide range of car care products, including Simoniz Pre-Soft and Liquid car waxes for a durable and brilliant shine (it's also great for boats), a wax for vinyl tops, a heavy-duty cleaner/degreaser, and chrome and car interior cleaners.

4. **Have your engine's spark timing set to proper specifications.** The spark timing determines whether your plugs fire at just the right moment. Incorrect timing costs you power, cuts mileage and may cause knocking which eventually, if it becomes chronic, can damage your engine.

Treat your car right — and it can be a lot more useful than just a convenient place to sit out a traffic jam.

EDUCATION PAYS:

Tax experts estimate that college students will pay taxes equal to more than 40% of their lifetime earnings. If it's any consolation, those figures probably indicate a greater degree of success as well.

Restorations

Your cherished memories don't have to stay tucked away in that attic trunk or in the old family album you pored over as a child. They can be made to glow again ... in an honored place in your home or as a gift to someone dear.

OBITUARIES

Ex-Daily News Printer Dies

Mr. Frank G. Dubberke, 73, of Spring Grove, passed away Monday, Aug. 23, in Victory Memorial Hospital. He was born June 17, 1903 in Chicago and moved to Wheaton, Ill. in 1950 then to Spring Grove a year and a half ago.

He was a printer and had worked for 42 years for the Chicago Daily News and Sun Times. He retired in 1961. He was a member of the International Typographical Union, and Chicago Local No. 16 of the I.T.U., both of which he was a member for 50 years.

He married DeLois Farrar in 1934. He was preceded in death by his wife on Dec. 23, 1971, and by one brother and one sister.

Survivors are two sons, Frank E. (Patricia) Dubberke of Spring Grove and Robert (Susan) Dubberke of Chicago; one daughter, Mrs. Judith (Robert) Perry of Little Rock, Ark.; one brother and eight grandchildren.

Funeral services were held at the Strang Funeral Home in Antioch last Thursday. Interment was in Hillside Cemetery in Antioch.

Mrs. Roerig of Antioch Dies

Mrs. Hildegard C. Roerig, 78, of Rt. 1, Antioch, passed away on Tuesday, Aug. 24, at Lake Forest Hospital in Lake Forest. She was born Oct. 14, 1897 in Canada. She moved to Chicago in 1927 and to Antioch three years ago.

She married Joseph B. Roerig in June of 1921 in Salt Lake City, Utah. Her husband was founder of the J. B. Roerig Pharmaceuticals Co. in Chicago, which he operated from 1930 until his death in April, 1947.

She was also preceded in death by one daughter.

Her only survivor is one daughter, Mrs. Noel (James) Shinkunas of Wadsworth, Ill.

A funeral Mass was held Friday at St. Peter's Church in Antioch. Interment was in All Saints Cemetery in Des Plaines, Ill. Arrangements were made by the Strang Funeral Home in Antioch.

The custom of taking off one's hat derives from the ancient habit of taking off the helmet to show politely that the hat-remover is not afraid of the person he is greeting.

Creative Algebra: X+Spray Paint= A Total New Look

Who said algebra had to be dull? Let X equal any old thing — a grocery carton, a shower curtain, a beat-up bureau, even a pair of sneakers. Add spray paint and you come up with a bright new whole that's much greater than the sum of its parts. Want proof? Try these:

- Take a sturdy, lidded carton. Spray each side a different color — maybe your school colors — and end up with a nifty hide-away for all kinds of bulky gear!

Hint: To get a nice slick surface, you'll need a fast-drying spray paint like Krylon, that lets you add on as many layers as you like! For an extra flourish, add trimmings of colored Mystik tape.

- Take a plain plastic shower curtain, even a cheap liner. Spray with two or three different Krylon colors and end up with a graffiti mural that's really you!

- Take a beat-up chest of drawers. Spray it a bright color like True Blue or Moss Green. Then, glamorize it by gluing on panels of pretty print fabric. Hint: To make the effect even richer, put a layer of cotton batting under the fabric. *Très élégant!*

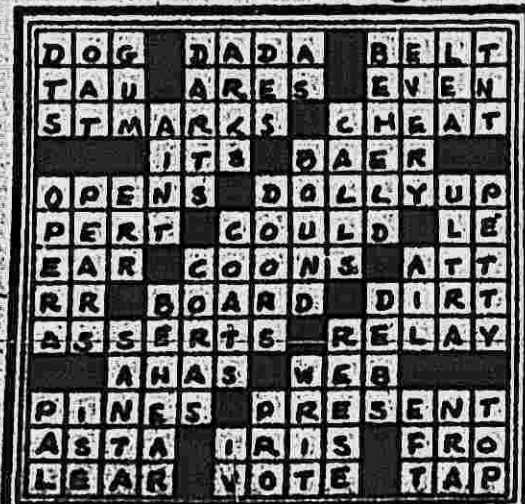

With spray paint and masking tape, stencil racing stripes on your sneakers, monograms on your book bag, new color on your bike . . . and take it from there! Q.E.D.

plants like kitchen

You can easily use your window to turn your kitchen into a mini greenhouse. Plants love the humidity found in the kitchen area, especially near the kitchen sink. Place plants on counters, window sills or hang them from the ceiling. If you don't have a kitchen window but you want plants in the kitchen, install a fluorescent light. The light will have to remain on most of the day, however, to give the plant enough light for growing.

If you don't have enough room for plants inside of your kitchen window, build a planter box outside of the window. Plant colorful flowers and plants in the box or in pots placed inside the box. You can vary the plants and flowers with the season.
